WHITMER, Home of the Panther

. The sign of the Whitmer panther has long been a symbol of our school's strength, enthusiastic spirit, and pride in our traditions. Wherever and whenever we see our panther, we feel that what he represents to us in ways of friendship and learning will always hold a special place in our memories.

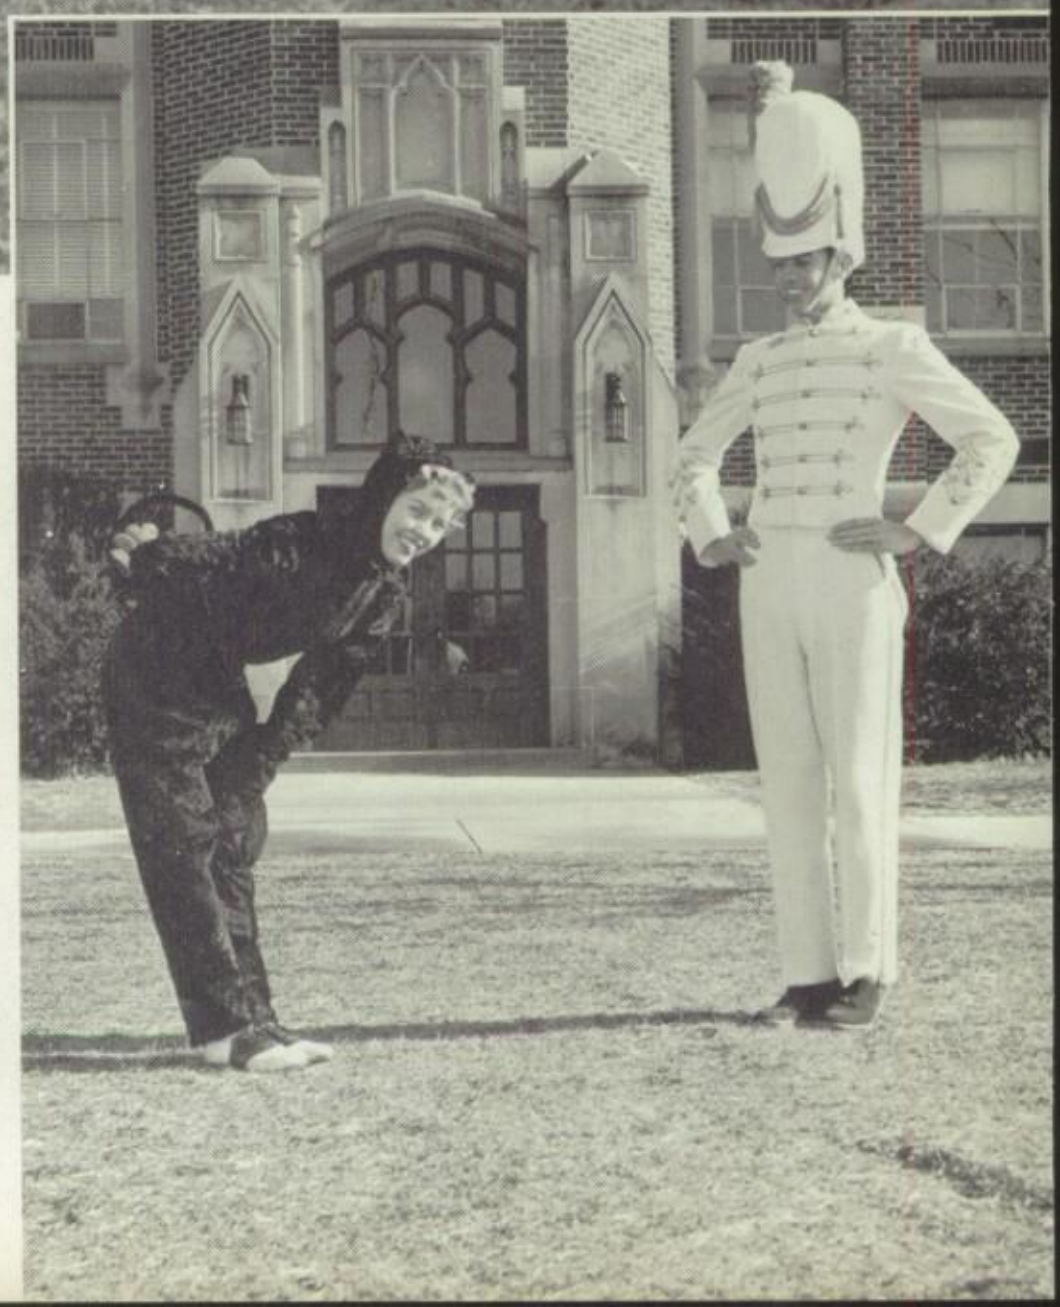
Hello from the Editors



School Life

Pep Sessions

Do you remember the first split assembly...meeting the new teachers ... sitting in crowded classrooms...

After Game Dances

How about those knee socks...giant size purses ...blazers and crew neck sweaters...pixie haircuts... and Betsy, the first girl brave enough to wear a sack dress...

Tests, Tests, Tests

which one did you prefer...Pat Boone or Elvis ...Jailhouse Rock or April Love...Sayonara or Pal Joey...

Religious Assemblies

Will you ever forget...the day the bond issue for our new school passed...Mr. Driver announcing his retirement...and our football team placing second in the Great Lakes League...

What a great surprise for Mrs. Huffer when she received a trophy from our Whitmer athletes and athletic staff in appreciation for all she has done for them.

Mr. Smith and Mr. Hersland reluctantly hand over the little brown jug to the Clay coaches.

Student Government Day

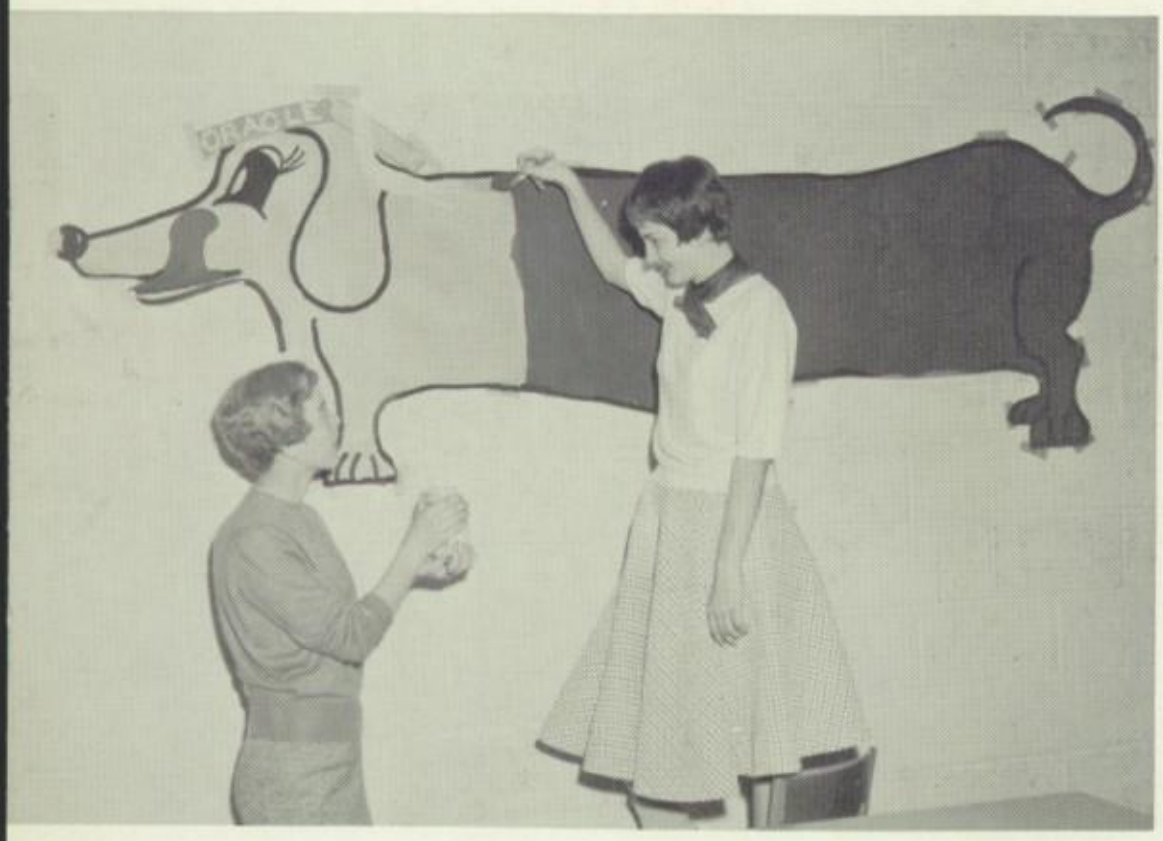
Kay Clausing, Donna Patrick and Bonnie Clausing make preparations for their Student Government Day positions.

Janitors for the day, Don Reighard, Roberta Rust and Frank Stewart go about the daily chores.

Student Government Day is an annual event at Whitmer which is looked forward to by all. The students take pride in taking over the faculty positions of the school. The president of Student Council becomes principal for the day, and other members of Student Council take over other top positions. Members of the Future Teachers of America club take over as teachers. The yearly event gives the students an enjoyable day and valuable experience.

Donna Patrick and Bonnie Clausing look over some of the business for the day.

Judy Schiffer speaks with the Dean of Girls, Donna Korvas, while Judd Penske confers with Tom Spaulding, Dean of Boys.



Carol Nelson and Carol Prestler give Frankie another stripe on his coat as more students purchase their copy of the *Oracle*.

Mr. Graves, Lucas County truant officer has a little fun with Margie Sullivan.

Bonnie Clausing had the honor to be elected by the Toledo Area Student Council to be Miss Polio Queen of 1958.

Mr. Lewis Heldt, Whitmer's new Vocational Guidance Director, gives Wallace Berry a little advice on a future career.

A Farewell

To My Friends:

Each year, the "Oracle" Staff does me the honor of asking for a statement for their Annual. This response, believe me, is one of the most pleasing and gratifying things that a Superintendent can do. It is an opportunity to talk to our youth, generally, through the medium of their attractive publication.

If possible, it is even more pleasurable and meaningful this year than in the past, because I have recently announced my retirement, effective at the end of the current year. Thus, in a sense, this is the utterance of a fond farewell to a great High School — Whitmer, and its lovable student body.

Out of my long service in public school work, in many ways and aside from the time element, these thirteen years that I have spent in your midst seem to be climactic years, the high lights of my professional career. I shall always retain fond memories of the time spent in the Washington Township Schools.

In this "sign-off" may I commend you most highly for a worthy continuation of an outstanding yearbook, and earnestly wish every Whitmer student the very best for future years.

Sincerely,
EARL B. DRIVER, SUPT.

The two secretaries to the principal are a great help to Whitmer students throughout the year. They are always ready and willing to do whatever task or favor is asked of them. They truly do deserve a bouquet of orchids.

Helping Hands

Mrs. Betty Johnson and Mrs. Elsie Miller.

ROW 1: Joyce Pack, Barbara Morrow, Paula Snyder. *ROW 2*: Billie Baker, Margie Sullivan, Ramona Lotridge.

These six girls have worked diligently in the principal's and deans' offices. Their work in these offices is done as part of regular class work. They run errands, answer phones, type and do other such routine tasks.

ROW 1: Hazel Briggs, Jennie Whiteman. *ROW 2:* Maude Monroe, Ruby Mosher, Madeline Huffer, Ramona Lotridge is getting her lunch from these lovely ladies that work in the cafeteria.

Our many thanks go to the women who work in the cafeteria. Everyday they prepare the noon meal for us. They also serve for the various banquets held at the school throughout the year.

We Thank You for Your Services

Bill Bennett and Mary Lehsten take time out.

These are the people to whom we are grateful for their faithful service. Our bright and shining halls are kept that way through their labors. Our building is warm and cozy through their other efforts. On cold and icy winter days our skillful drivers come out to drive our buses. We should all be thankful for their kind cooperation.

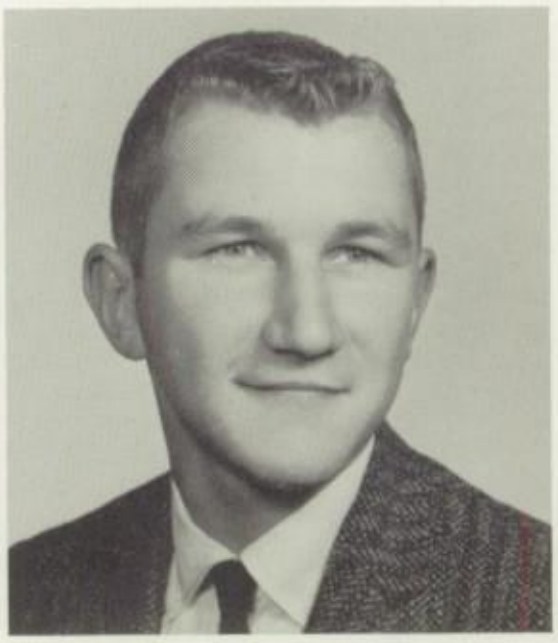
My candle burns at both ends.

JAMES OBERLE
Beware the fury of a patient man.



DAVE OLENECK
Never a dull moment in my life.

MARK ORDE
Blessings on him who first invented sleep.

JOYCE PACK
Among her good qualities she sings like an angel.

SHARON PAQUETTE
An athletic lady with assets so many; if she has any faults, we can't think of any.

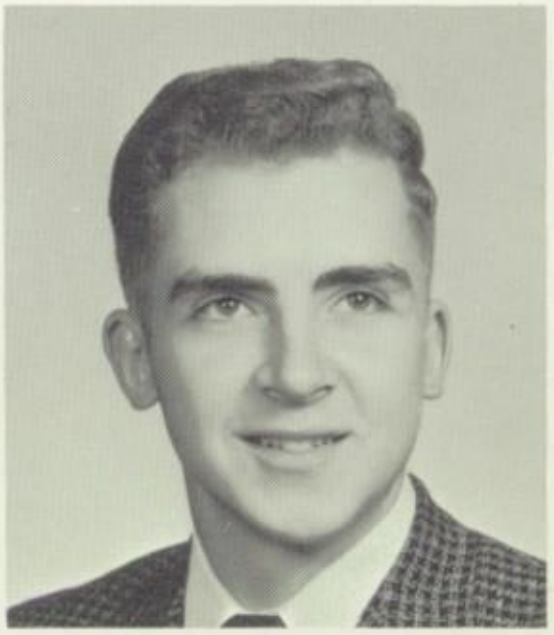
PAT PARMALEE
Laughing eyes and pretty hair pronounce her a girl you can't compare.

JAMES PAXTON
A fine boy is Jim.

A "Last Fling" for Us

HENRY PLONTZ
A mighty good friend.

PAMELA POLLMAN
Fair as the daisies in the spring.



LARRY POOL
It's nice to be natural when you're naturally nice.

BARBARA RAPP
It isn't what you do; it's what you get away with.

RICHARD REIGHARD
What ere he did was done with so much ease, in him alone, 'twas natural to please.

NANCY REIMSCHUSSEL
Be to her virtues very kind; be to her faults a little blind.

BETSY RIEMENSCHNEIDER
A girl that smiles is always worth while.

ROGER RIFE
He's a man worth knowing and worth knowing well.

Senior Day Brought

CAROL ROHLMAN
One who gives counsel and speaks words of comfort.

SALLY ROMETSKI
A tall graceful girl to know.

RUSSELL RUBADEUX
An all-round athlete is a hint to his name.

SUE RUMMEL
Charms strike the sight, but merit wins the soul.

HUGH SARVER
A friendly person is this dark-haired lad.

LEN SCHAFER
An athlete that scores in more ways than one.

DAVID SCHEIBEL
They say that greater men have lived, but I refuse to believe it.

KENT SCHEPLER
For man, by nothing is so well portrayed as by his manners.

Tears to Many Eyes

JUDY SCHIFFER
My cares shall go on beyond today.

CAROL SCHULZ
A girl with good qualities.

SUSAN SCOFIELD
Where your treasure is, there will be your heart also.

VIRGINIA SCOFIELD
A light heart lives longer.

BARBARA SCOTT
The smallest branches do the most rustling.

CURTIS SELLICK
What would Whitmer ever do without me?

LOIS SELTER
My greatest joy in life is doing things for others.

WILLIAM SHANER
One for all and all for me.

Our Senior Prom Ended

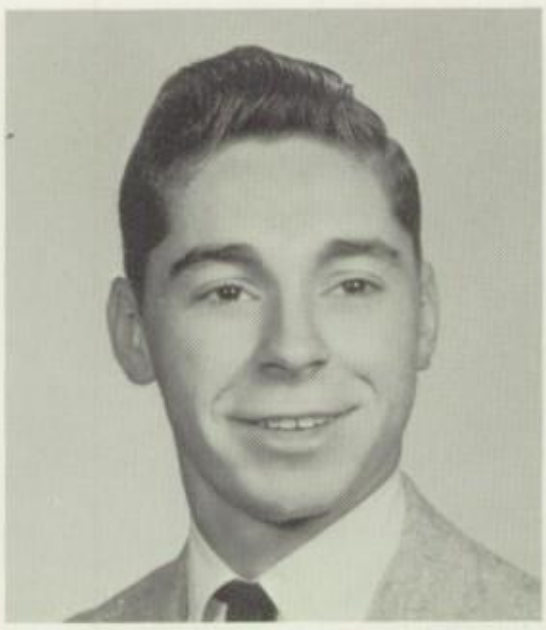
MARY ALICE SHEETS
Happiness is a habit.

RUTH SILVERS
If Bill says women are the source of all trouble, I think the same of men.

ED SLACK
Quit crackin' your blasted gum.

TERRY SLOAN
George all the way.

PAT SMITH
Her style is her own, it is her nature.



ROBERT SMITH
Tell me all your troubles so I can laugh them down the drain.

NANCY SNIADAK
She moves a goddess, and she looks a queen.

JAMES SNYDER
Here is a boy with great football ability.

A Year of Wonderful Times

PAULA SNYDER
Cute and crazy so they say, but crazy in a special way.

RUTH SPAULDING
Some of these men.

TOM SPAULDING
There must be hard work in me 'cause nothing has ever come out.

FRANK STEWART
A good example of true leadership.

MARJORY SULLIVAN
She looks safe and sound, but so does gunpowder.

BEVERLY SUNDERMEIER
I'll live and I'll die for Bob, so they tell me.

CORNELIA SWEENEY
Never ready, always late, but she smiles, so we wait.

DAVID TEAL
Dave's a guy who is always pleasant, that whenever he is wanted he is always present.

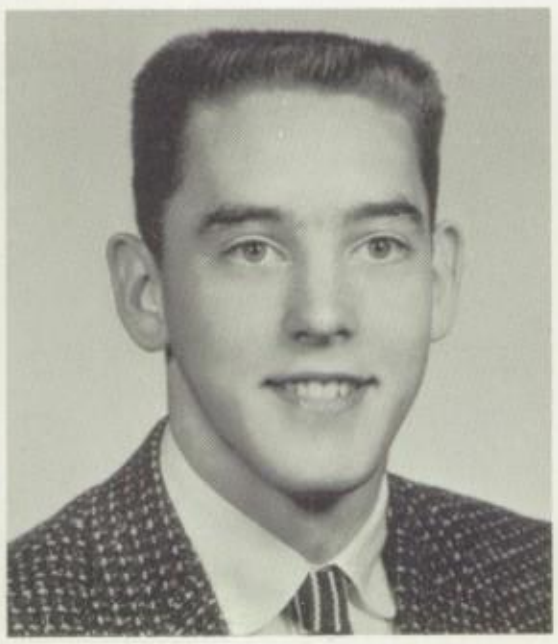
We Met the Challenges

CAROL THOMPSON
Art flows from her pen as honey from a spoon.

PAT THOMPSON
What would the world be like without men?

JEAN TURNER
It's not that I like studies less, but that I love fun more.

JUDY TURNER
Happy and carefree, full of fun, sense, and nonsense.



WILLIAM UMLAUF
I like the wide open spaces, out where the cactus grows.

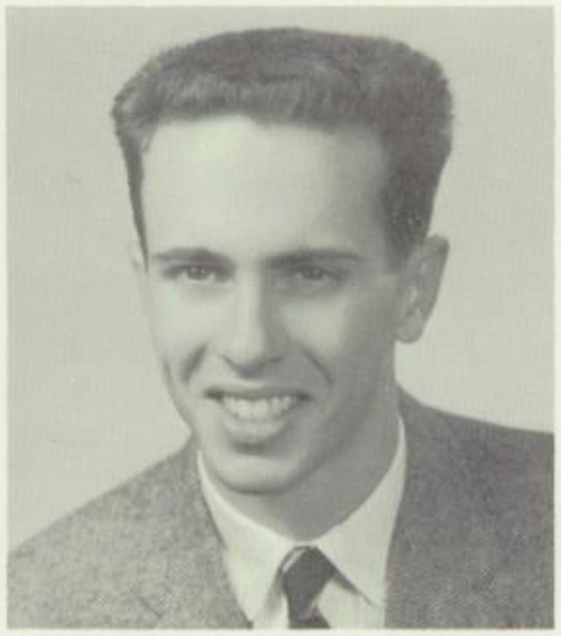
LARRY VAN DRIESON
School has made me what I am.

SHIRLEY VESEY
Tell me more about men; I still haven't been able to figure them out.

ROBERT VROOMAN
Tell me more about the guy who founded this school to let me dumfound it.

BONNIE WAGNER
A sweet bundle of joy.

Our School Had Offered



PETE WALZ
An innocent look, but looks are deceiving.

DENIS WARD
To all of us he's a number one guy and he led the Seniors never batting an eye.

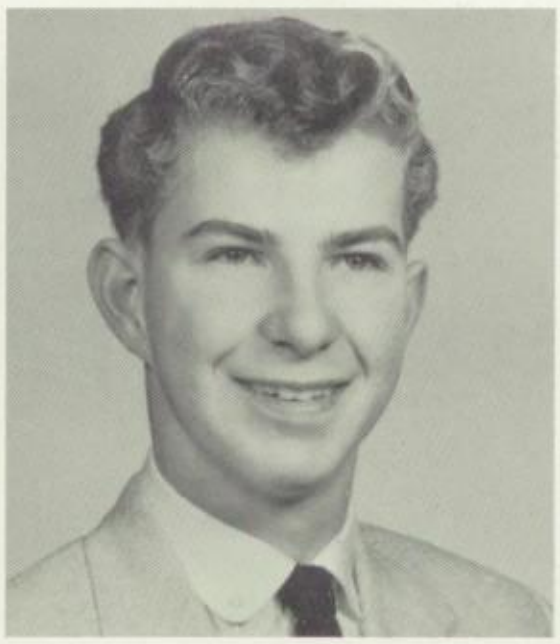
JERRY WARNER
A darn true friend, sometimes sober, sometimes gay.

DON WEST
I love this school, far far away.

PAM WHALEN
Oh, who put the devil in Pammie's eyes?

ROBERT WHEAT
His voice is of God.

JO ANN WHITEHEAD
Science is imagination, in the enthusiasm of genius.



WILLIAM WHITT
I love studies. Ha! Ha! Ha!

CATHY WIMMERS
Born with the gift of laughter and a sense that the world is mad.

Our Graduation Day

JIM WISNIEWSKI
Ready to split his sides with laughing.

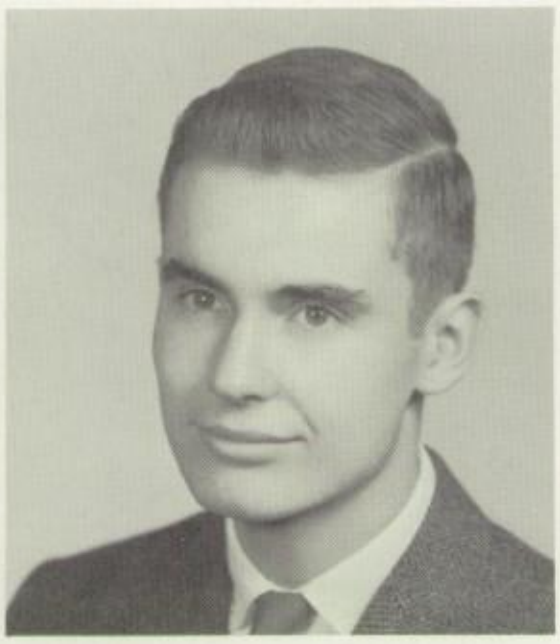
NANCY WOLFE
First year at Whitmer and a friend to all.

ROBERT WOOD
Learning resolves perfection, why learn?

SHARON WOODROW
If I could type as fast as I talk.

DELORES YEAGER
May the world be more noble for my sake.

CARL YUILL
If silence is golden, then why am I broke?



PAUL ZIEGLER
Shower me with wine, women, and song.

CLIFF ZIEMS
I am not a politician, and my other habits are good.

CLASSROOMS

Some of the typical activities of the chemistry lab are shown here by Jeff Glenn, George DeMuth, Sharron Idzkowski, and Mary Lou Duffeck.

In a physics class P. Smith, N. Lehmann, W. McCartney, and K. Erwin demonstrate different phases of the science.

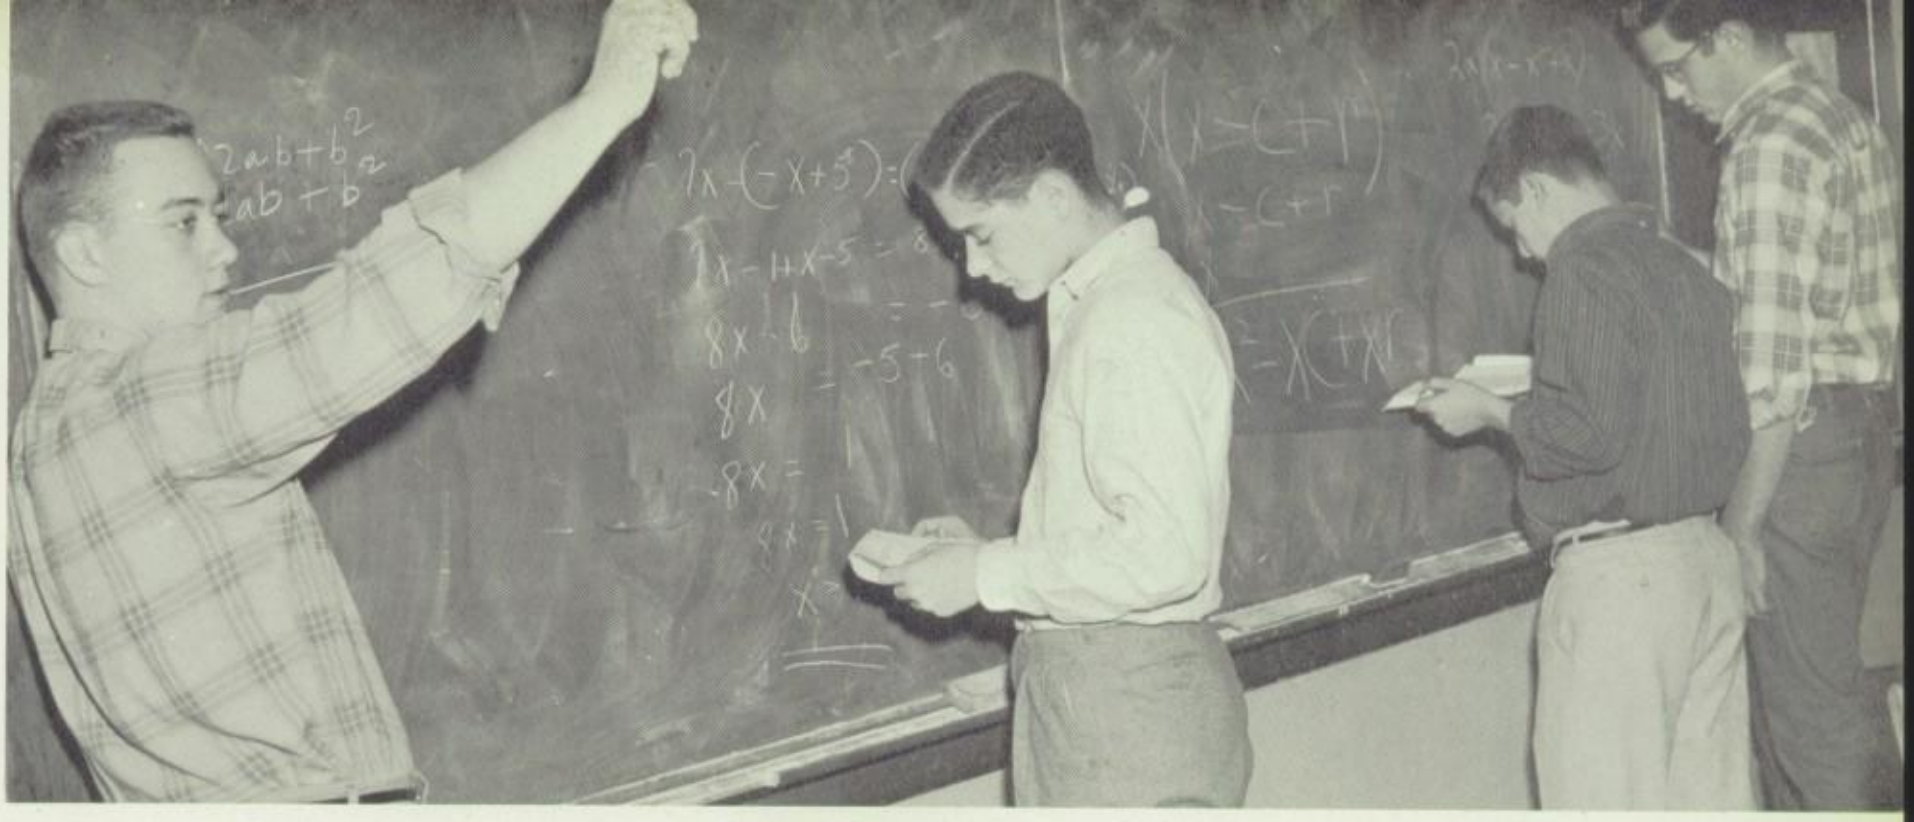
We Increased Our Scientific

Whitmer is doing its part in the promotion of science in order that our students may find their place in this scientific world. There are four phases of science offered at Whitmer: chemistry, physics, biology, and physiology. Biology and physiology concern the study of plants and animals while chemistry and physics deal with the properties of matter and the cause and effect of motion.

This year Whitmer again held a Science Fair to create a further interest in this growing field. Students from each of the science departments entered projects in the fair.

Biology students L. Selter, D. Patrick, S. Tank, R. Rankin, B. Schmidt, G. Romak, and S. Rickard are diligently dissecting the crayfish.

These venturous students, S. Rummel, K. Krause, J. Bache, J. Gosciniak, J. Whitehead, and R. Anderson examine the cat before dissection in physiology class.

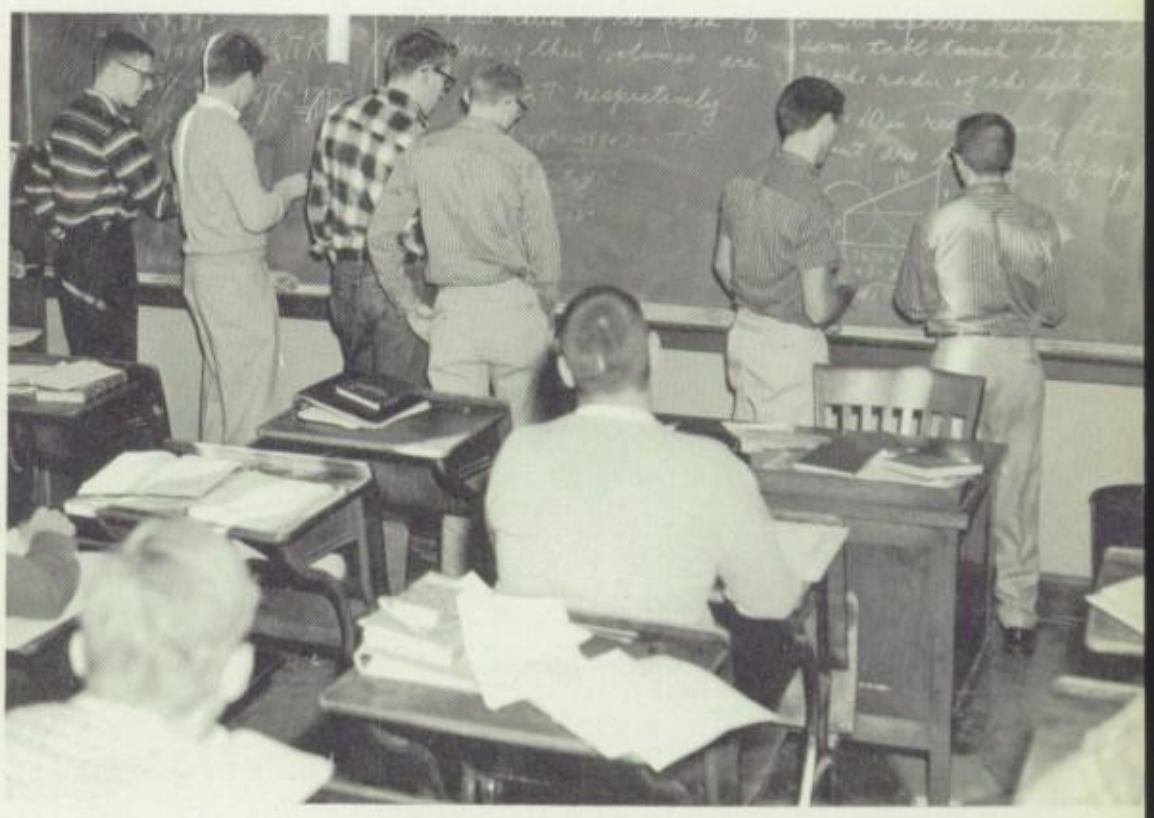


Dale Marleau seems to know the answer, but Jeff Scheibel, Larry Bladel, and Dick Schnell are still puzzling over their algebra problems.

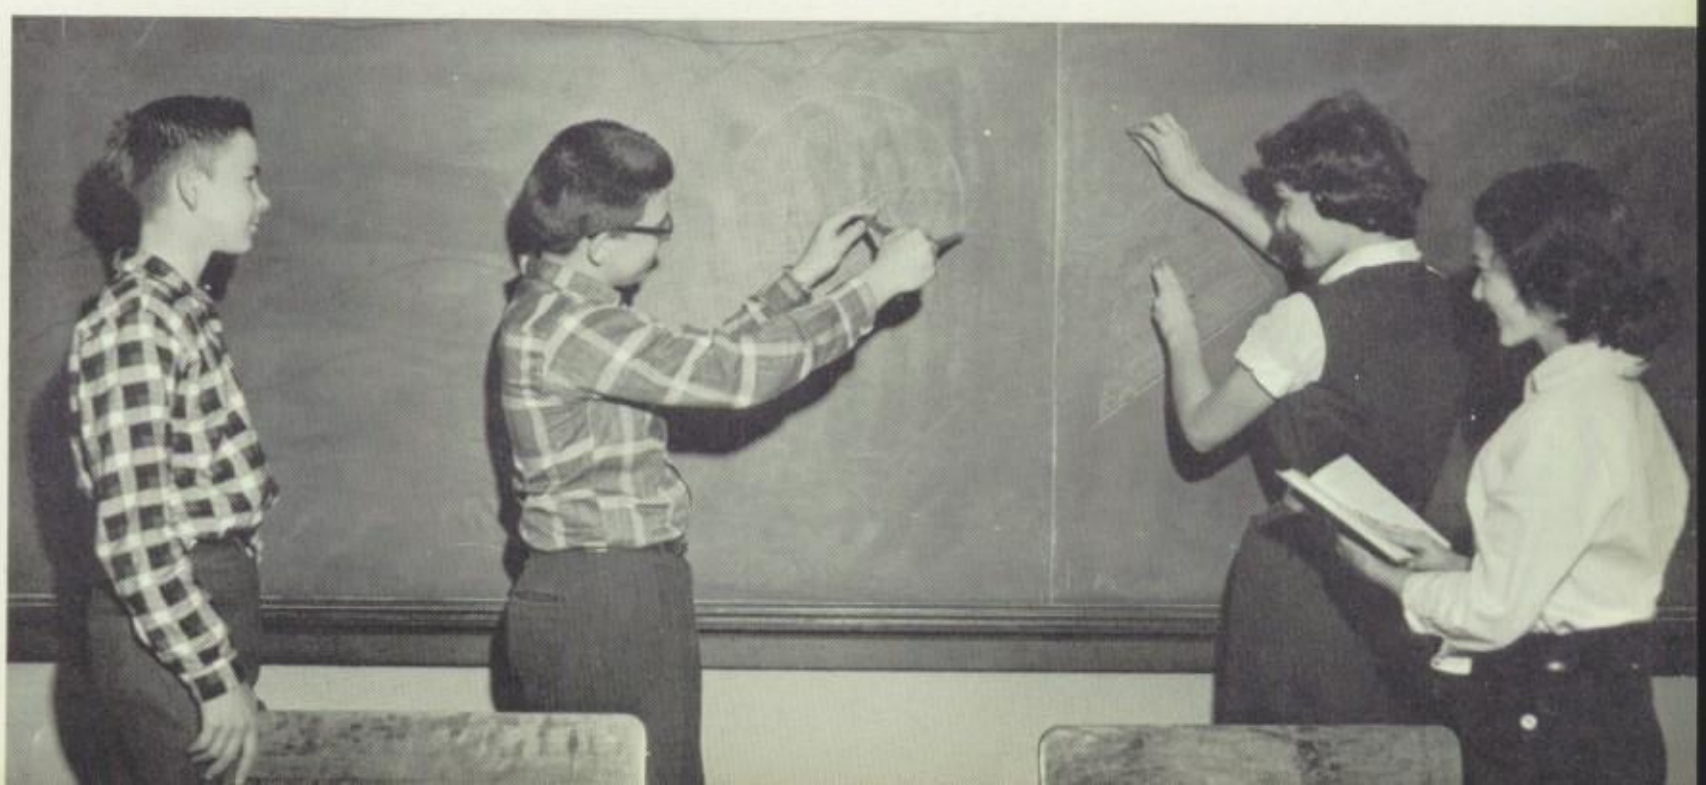
Understanding in the World

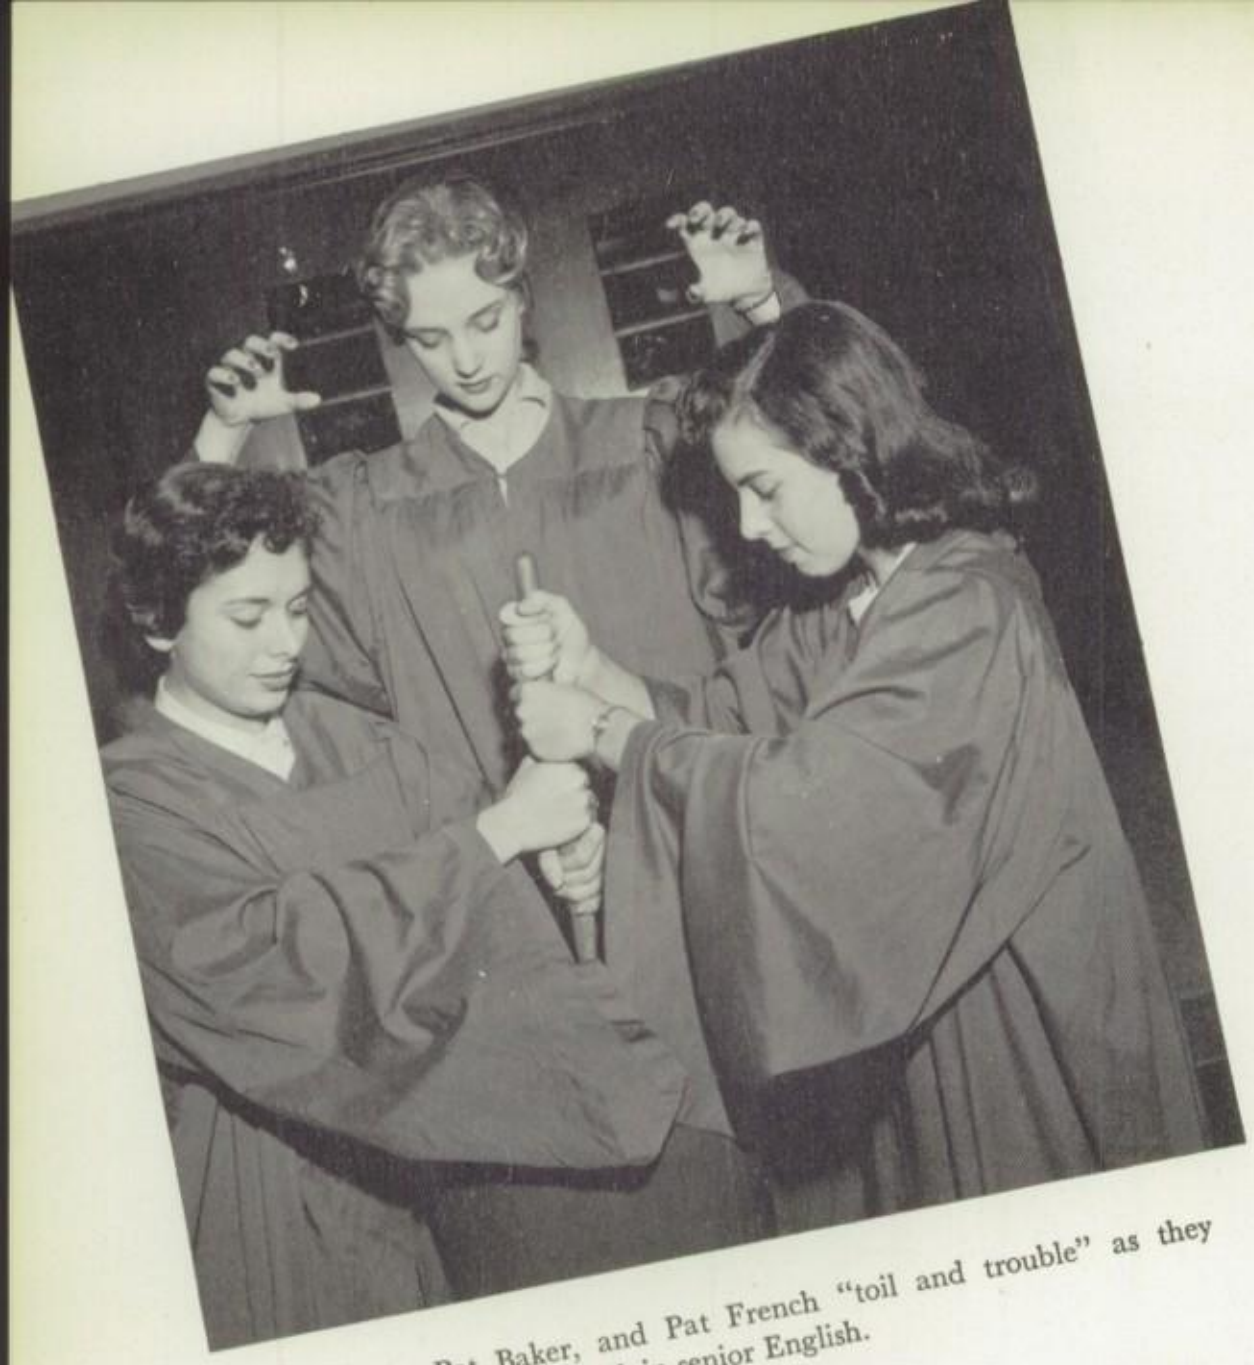
A thorough knowledge of mathematics is of great importance in the world today. For some it will merely be a help in everyday problems, but for others, it will be the basis of their lifetime careers. By studying algebra, students gain an understanding of equations, while geometry and trigonometry give them a knowledge of lines and angles. Many students continue in higher mathematics. Mathematical knowledge, along with correctness in reasoning and thinking, is valuable to the students.

Trigonometry students ponder over some difficult equations at the board.



Pat McGraw and Sandy Carrick construct geometric figures on the board as Wolf Kutter and Sue Hines supervise.





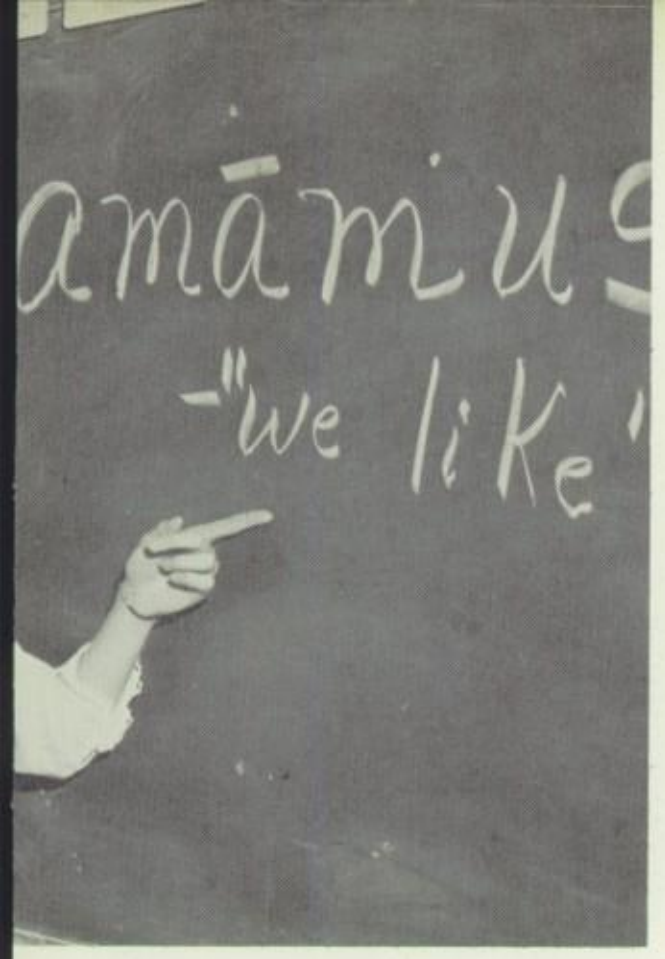
Nancy Wolfe, Pat Baker, and Pat French "toil and trouble" as they present a scene from *Macbeth* in senior English.

"Amo, amas, amat" are familiar words to Latin students as shown

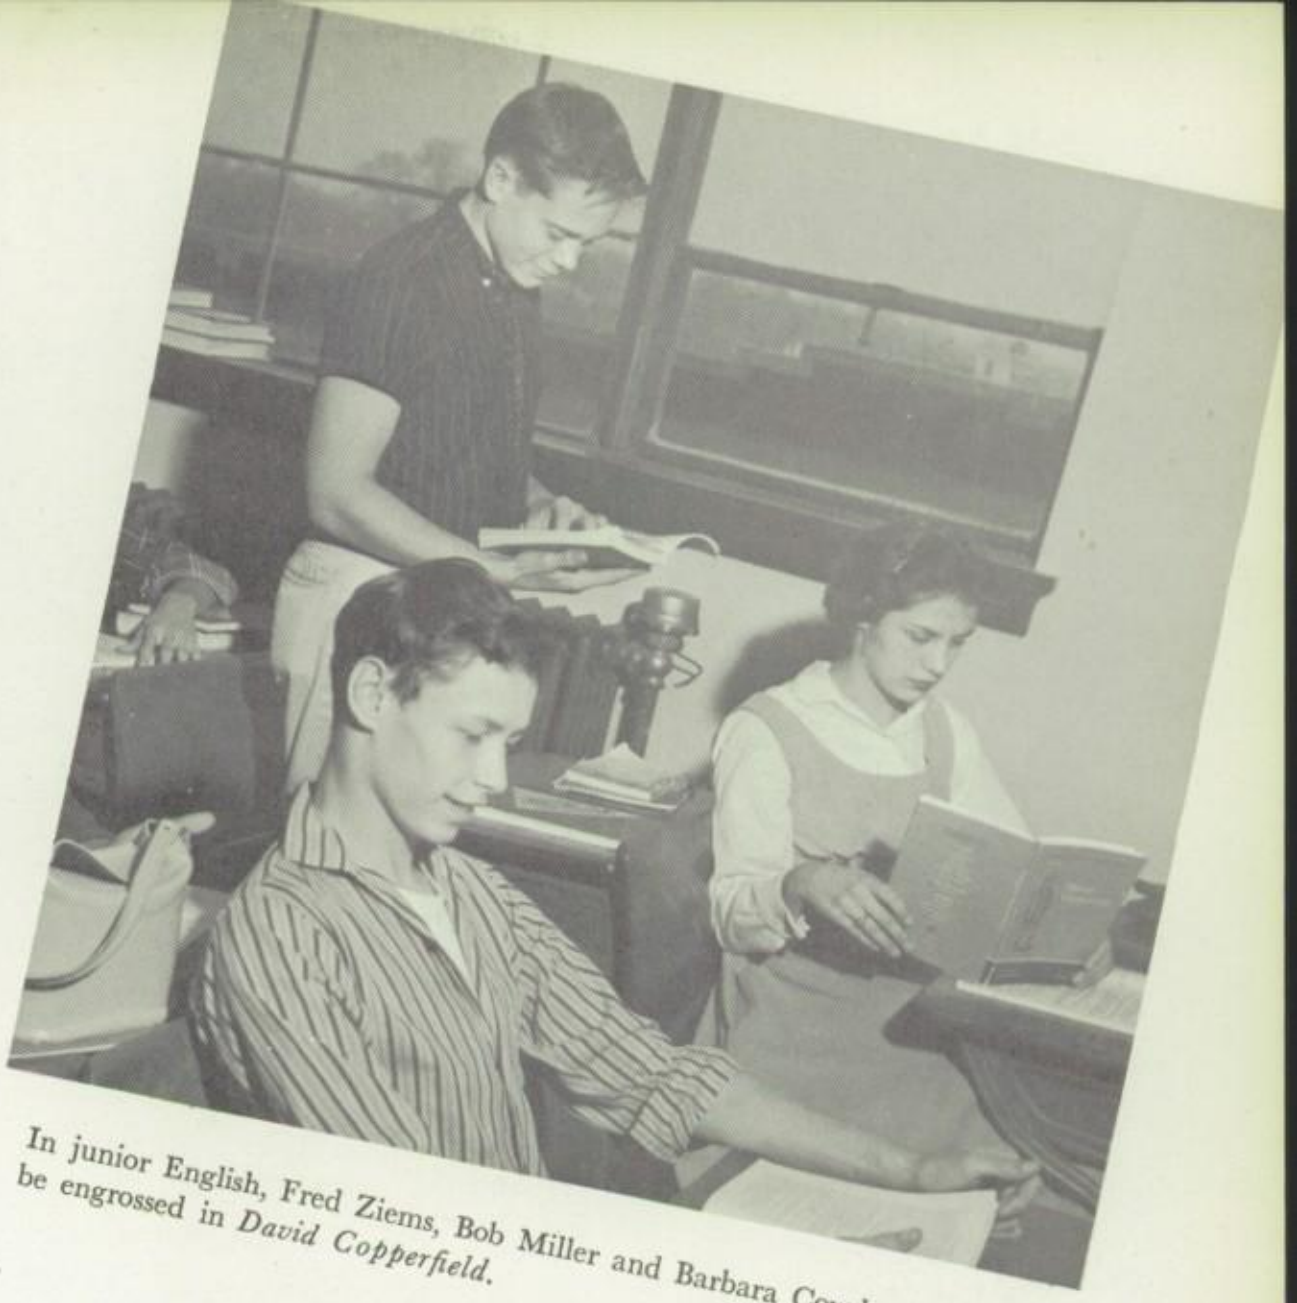
We Learned to Express

F. Bergsman and S. Arnold demonstrate the use of the vocabulary-aid chart in Spanish as L. Campbell and C. Dallas look on.

Deanna Laney does a pantomime of a piano player for the Speech class.



here by Ed Koch and Dianne Borman.



In junior English, Fred Ziems, Bob Miller and Barbara Cowdrey appear to be engrossed in *David Copperfield*.

Ourselves Through Language

A replica of a theater used in the days of Shakespeare is examined by sophomore English students, Jean Polderman, Susan Fisher, and Stan Rickard.

We Reviewed the Past and Present

History is a subject in which a student learns about the past as well as the present. American History covers a large span of time ranging from before our country was founded to our modern days. The course covers the important happenings of our country and our connections with other countries. World History is a study of the important events that have occurred in other countries of the world and of the countries' locations. Civics is a study of our government and how it functions.

World History students, Gary Pertner and Pat Kreckow point out a point of interest to the class.

Ronnie Hill, Judy Turner, and Pam Fenn seem to find the civics scrapbooks very interesting.

David Hatch observes the difference of opinion between Betty Miller and Chuck Jeko as they attempt to locate a battlefield in American History.

We Prepared for Future Careers

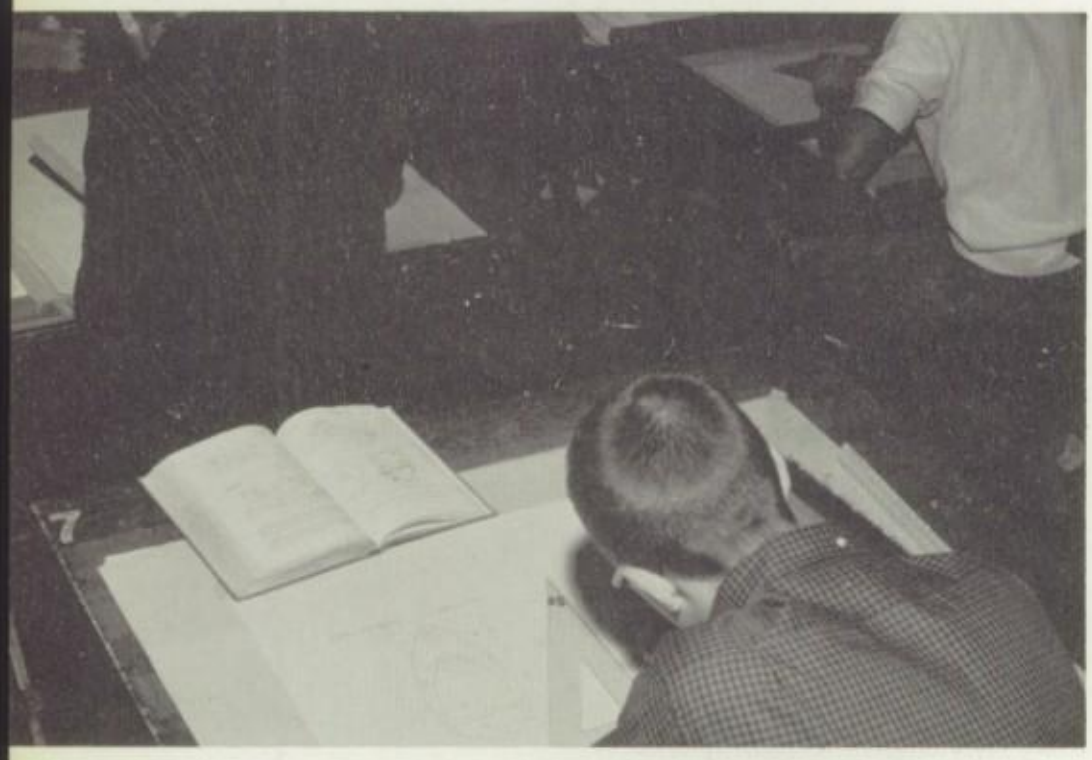
J. Christen, D. Elg, and P. Mann practice their shorthand skills while N. Brodbeck dictates.

The Business Administration curriculum at Whitmer includes typing, shorthand, bookkeeping, and office practice. These courses are designed to equip the students with the basic business skills which are needed to begin a career in that field. Typing students learn the touch system and practice speed. Shorthand teaches the students the knowledge necessary in taking dictation. Bookkeeping stresses the importance of keeping books in correct order and budgeting. Further knowledge in operating the various types of office machinery is acquired in office practice.

Martha Morrill uses the dictaphone as she types in office practice.

Beginning typists, Gertrude Whitmill, Janet Whitmill, and Nancy Williams practice diligently at their typewriters.

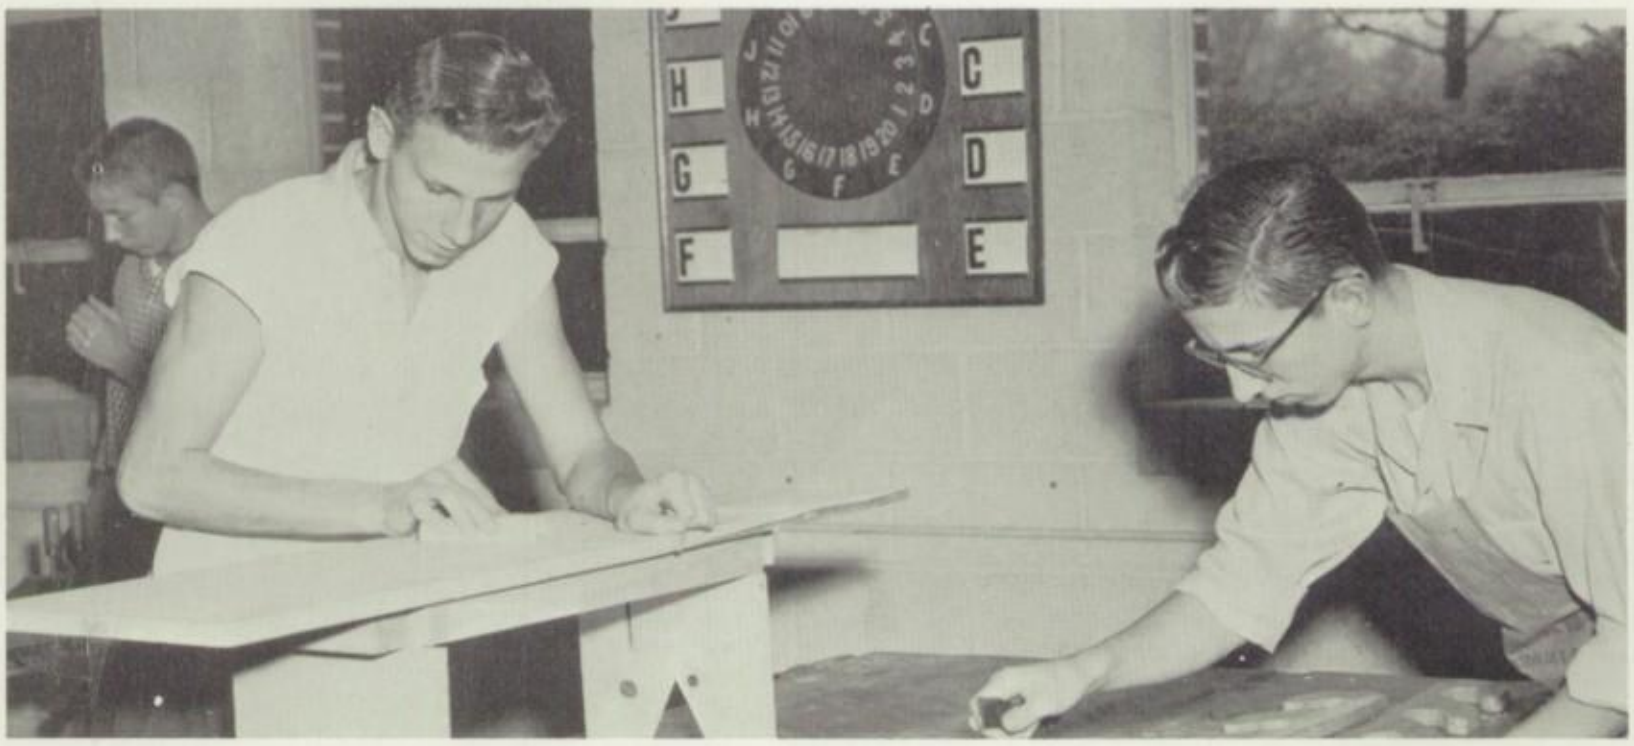
These Classes Provided Maximum



The Industrial Arts Department at Whitmer, which is divided into three major courses: mechanical drawing, Woodshop, and Trade and Industry, provides the students with a background of technical knowledge through direct experience.

Mechanical drawing is concerned with drawing in modern industry and commerce. The Woodshop Course teaches the student the care and operation of machines and tools while he constructs his own project. Trade and Industry gives the student better understanding of the machine trade as well as the experience of working under actual shop conditions.

Mechanical drawing students strive for accuracy and perfection in their work.



Ronnie Medere and Bill Hier take great pride in assembling their projects in Woodshop.

The machines which Jim Hammary and Jim Welch are using are only a few of the intricate instruments the boys in Trade and Industry must learn to operate.

Learning Through Direct Experience

The home economics course introduces the fundamentals of homemaking. In class the girls learn cooking, sewing and the basic principles of running a home. Meal planning, food values, and the proper techniques of preparing foods are taught in cooking; in sewing the students gain a knowledge of fabrics and textures, learn how to operate the sewing machine, and acquire additional sewing information while constructing a garment.

Barb Doty admires the dress Bonnie Clausing is making in sewing class.

Family Living is a popular subject at Whitmer for seniors. Problems of various types are discussed in class such as dating, marriage, and family conditions. The students are helped in solving these problems by achieving an understanding of the viewpoints of parents and others.

R. Lee leads an interesting panel discussion in Family Living assisted by panelists N. Brodbeck, S. Meck, C. Ziems, and K. Bronson.

Members of the Library Council pictured above are: W. Kutter, S. Idzkowski, M. Bombrys, C. Schulz, L. Black, G. Saelzler, V. Hassfeld, P. Welch, Miss Brown, S. Turney, J. Martin, L. Baker, G. Hermsen, B. Overfield, J. Raitz, E. Little, E. Koch. *NOT PRESENT*: S. Cattell, R. Rubadeux, R. Neeper.

Books Enriched Our Minds

One of the most important contributions made by members of the Library Council to the school scene at Whitmer, is the program by which they acquaint the students with the library and its many facilities. They gain experience and knowledge of the many details that concern the management of a library by working in the high school library several periods each week.

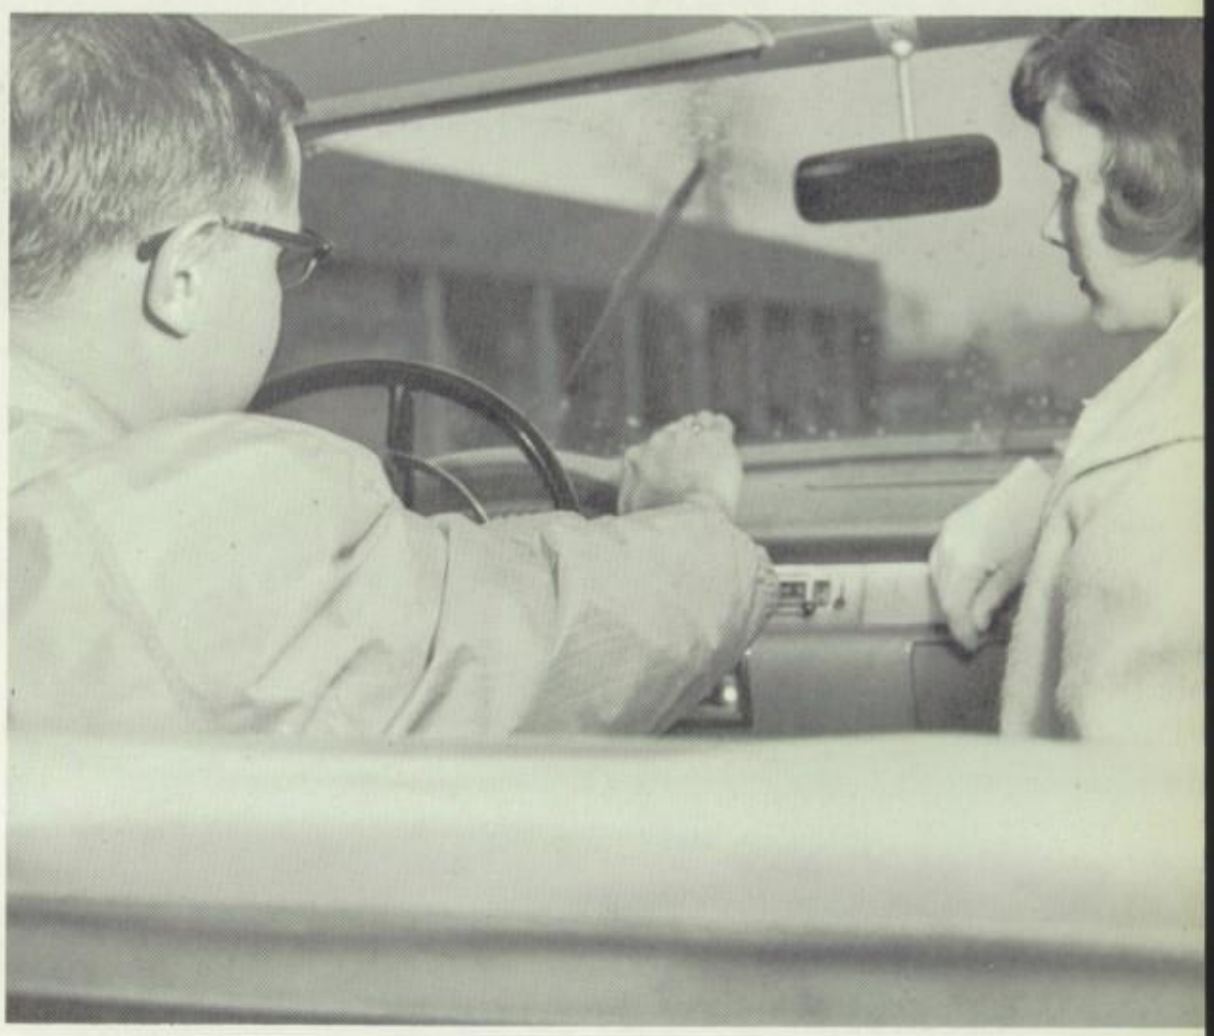
Along with the regular library class each Thursday, the social activities of the staff included a tea and a candy sale. The Book Fair, which is another feature of the Library Council, is held every two years.

Miss Brown, librarian, decorates a bulletin board for Book Week which was held in November.

Carol Schulz checks out books for Kathy Brodie and Pat McGraw.

Driving and Glee Club Were Popular Courses

This year Whitmer was fortunate to have a new 1958 Ford for the Driver's Training Course. In this course the students are taught the basic principles of driving, and while developing safe driving habits, they are acquainted with the rules of the road.



Mr. Hersland explains some of the mechanics of driving to Evelyn McNealy.

The lyric melodies heard through the halls during eighth period testified both to the hard work and the accomplishment of the Girls' Glee Club. The Glee Club is composed of sophomore girls who in their junior and senior years may become members of the A Cappella Choir. The highlights of the year were the Christmas program and the spring festival.

Student Council

Student Council must begin its work early in the school year for it has many responsibilities. Planning for the sophomore orientation program began in the early spring of last year. When the hustle of school activities got under way, Student Council made the arrangements for the traditional homecoming ceremonies. The members are also responsible for the promotion of the area Sportsmanship campaign, the selection of the feature movies, and the sponsorship of the Safety Poster contest. This year the Student Council was responsible for the introduction of a traffic pattern to relieve the congestion of the halls during the changing of classes.

Student Council collected contributions for the Red Cross and Community Chest drives. Members collected groceries for a basket which was given to a needy family at Thanksgiving. At Christmas they added to the holiday spirit by decorating a tree in the center hall.

One of the highlights of the school year is Student Government Day. With the aid of the Future Teachers of America, Student Council helps to organize the program and to fill the administrative and teaching positions for the day. In late winter the annual Area Student Council dance was held at the Naval Armory. Whitmer Student Council took charge of the decorations for this social event. In the spring its members along with the Honor Society took its annual trip to Greenfield Village.

Inter-Club Council

Whitmer's Inter-Club Council is a vital organization composed of the presidents of each club in our school. The club leaders plan many activities and service projects to keep members busy all year. The club also suggests and encourages activities to further the interests of the school. The vice-president of Student Council is automatically chairman of Inter-Club functions.

Student Court

A small white mimeographed slip served by any Student Council, Student Court, or Hall Patrol member indicates that you have disobeyed a rule of the school. This obligates you to appear before the Student Court. A panel composed of a judge and jury will question you as to the nature of the offense and the reason for the violation. Students who are found guilty receive constructive penalties corresponding to the offense.

Honor Society

When is it going to be? This is a familiar question around Whitmer in February referring to Honor Society induction. Every year at a very special assembly, tapping of new members takes place. Those chosen for Whitmer's highest honorary club first of all must have a high scholastic average. Candidates are then chosen on the basis of character, leadership, and service.

The history of the National Honor Society shows that the first charter was granted in 1921 to Fifth Avenue High School in Pittsburgh. There are six thousand senior chapters with locations in all the states, our territories and possessions as well as American schools in Argentina, Austria, France, Germany, Japan, and Mexico.

The John Wallace Whitmer Honor Society was established thirteen years ago by the Whitmer Student Council. Soon after, Student Council was disbanded but was later set up again by the Honor Society.

Honor Society has as its aims, stimulation of enthusiasm for high scholarship, encouragement to students to continue their education, and inspiration to students to see their opportunities and potentialities as leaders.

As its service project Whitmer Honor Society contributes to the school's scholarship fund. Club members also have social functions. This year they held a masquerade party at Halloween, a progressive dinner at Thanksgiving, and a Christmas party in the home of Mrs. Fontaine, their advisor. The induction banquet in the spring is a formal affair that welcomes its new members into the club.

Bible Club

The Bible Club led by Bob Wheat and advised by Miss Brown sent Care packages and magazines abroad as its service project. In March there was a vocation week when area businessmen gave talks to the club about careers. The Bible Club also sponsored a scientific picture "Movie Bible Institute" and held a quiz panel competition with other schools at Youth for Christ rallies. Socially the club got together for a Halloween party in the fall and a hobo party in the spring.

Quill and Scroll

Quill and Scroll is a chapter of the International Honorary Society for High School Journalists sponsored by Northwestern University. Whitmer's chapter, named for the late Grove Patterson, one time editor and columnist for the Toledo Blade, celebrated its tenth anniversary this year as a school organization.

Members from the "Oracle" staff are selected on the basis of their work in journalistic writing, picture layouts, and business capabilities, while fellow members of the "Flying W" are judged by their desire to do creative writing and their ability to organize material into concise form.

Prince of Peace

This year's Prince of Peace winners were K. Clausing, K. Pettibone, B. Wheat, and B. Clausing.

The Prince of Peace Contest is held annually all over the state of Ohio. This year twelve students from Whitmer took part in this event. The participants receive a book of printed speeches about a month before the first declamation. They may use these or write their own.

The speeches are memorized and given for the first time at a local church. The winner receives a bronze medal and goes on to the county declamation where the winner receives a silver medal. Those who attain the district level are awarded gold medals. The semi-finals are held in Columbus, and the final declamation is held during the Ohio Pastors' Convention. At that time cash prizes and college scholarships are awarded to the finalists.

Dramatic enthusiasts who like to portray their talents on the stage are eligible to become members of Thespians, the honorary dramatics society. The club meets with Masque and Gavel to further interest in speech and dramatics. Its motto is "Act well your part; there all the honor lies."

Masque and Gavel is Whitmer's honorary speech club. To be a member a student must have been enrolled in a speech course or have participated in a dramatic production. Among its projects were the presentation of a one act play and the provision of speakers for assemblies.

Junior World Council

Members of Junior World Council take an active interest in the affairs of the world. The club, advised by Mr. Jack O'Connell, tries to give to its members a better understanding of world problems and relations. A mock trial based on the T.V. version of "The Verdict is Yours" was held to give a practical demonstration of how democratic processes work in a court. In the spring an area conference was held in which each school represented a country and its point of view on disarmament. Whitmer's Junior World Council held an area meeting for the first time in the history of its club. Speakers from foreign countries were the main feature.

Key Club and Junior Achievement

The Key Club and Junior Achievement Club are two service organizations of Whitmer. Key Club chose as its project this year, the printing and distribution of basketball programs for all the home games.

Junior Achievement is an organization set up by business men for high school students. These men set up a program whereby students are acquainted with the various phases and problems of business. The students form companies to make and sell products such as candles, wall plaques, ash trays, litter bags, and shoe polish kits.

Future Homemakers of America

C. Grohowski, S. Idzkowski, J. Longanbach, C. Locke, and S. Meck are mixing a delicious concoction.

Future Homemakers of America is a fine organization for girls who are looking forward to having their own homes and families. The main emphasis of the club's program is upon the selection of suitable clothing for all occasions and to help give the girls an idea of what to wear to suit their personal characteristics. As their money-making project, the members take charge of selling popcorn during the school athletic events. At Christmas they gave a party for the children of St. Anthony's orphanage. Each year during FHA week, all the members take part in a program to interest sophomore and junior girls in homemaking. Miss Frances Kern is advisor of the club.

Future Teachers of America

Students considering a career in teaching appreciate the help given to them by the Future Teachers of America. The club, advised by Mrs. Roberta McFadden, gives its members an opportunity for regular teaching experience. The members take over classes, type, and grade papers for the teachers to whom they are assigned. On Student Government Day they assume the teachers' positions for the entire day. Along with gaining experience in the field of education, the club members take a trip to the University of Bowling Green to investigate the college of education.

Future Nurses of America

Girls with an ambition to enter the field of nursing are grateful for the help given to them by Future Nurses of America. The girls with their advisor, Mrs. Roenick, have many interesting activities. This year members of the club took tours of various hospitals and in doing so, saw some actual surgery. Besides the activities concerned with nursing, the girls had some fun at a splash party at the YWCA.

The Projection Club is one of the main service clubs of Whitmer. Members of the club learn about projectors and sound equipment in order to be of service for various functions. The members have charge of showing all movies, both feature and those shown as part of classroom studies. As a reward for their services they receive a free pass to all feature movies. Mr. Hunter is the club's advisor.

The Chess Club at Whitmer was organized for the purpose of developing clear thinking and good judgment. During the 1957-1958 season the club played Sylvania and Ottawa Hills high schools. The club is under the advisorship of Mr. Davis.

Hi-Y

The Hi-Y Club of Whitmer is dedicated to Christian fellowship and service to all students. It is divided into two groups, Senior Hi-Y and Junior Hi-Y. The members of this club take charge of the religious assemblies which are held at Thanksgiving, Christmas and Easter. Another important service performed by the members is working with the concessions at the home basketball games. Under the guidance of Mr. Smith, advisor, the club donates money to the scholarship fund. It also buys equipment for the athletic teams.

Y-Teens

The Y-Teens of Whitmer is a teen-age service club affiliated with the Y.W.C.A. Along with the Hi-Y, this club sponsors the religious assemblies. This year the members placed a Christmas tree in the cafeteria, sold pencils for the Y.W.C.A. Inter-Club Council, and sponsored a car-wash as a money making project. Thirty-six members attended a winter week-end at Camp Storer, a yearly event backed by the Central Y.W.C.A.

The Spanish Club

J. Cabbage and C. Allen try to imagine what G. DeMuth would look like in a sombrero.

El Paso Tiempo, which means the Pastime, is the name of the Spanish Club. This club accomplished much during the year and had a lot of fun, too. The members purchased a record player in order that they might play Spanish music. They donated two Spanish books to the school library. They made two interesting trips, one to see *Around the World in Eighty Days* and one to Bowling Green State University for Pan-American Day. The members also correspond with South American pen pals.

V. I. C. and Pep Club

Vocational Industries Clubs, or V.I.C., as it is better known, is a state-wide organization. The members are students majoring in the Trade and Industry courses in the public schools.

Among the money-making activities of Whitmer's V.I.C. were such activities as a bake sale, co-sponsoring an after-game dance, and selling scrap material. The members also attended several area V.I.C. conventions.

A new activity this year at Whitmer is the Pep Club. The purpose of the club is to promote school spirit and good sportmanship at all times. It is composed of students from all three classes. If a member misses two games, he will be put on probation for three weeks. If he misses a game during this period, he will be suspended from the club.

The symbol of this club is yellow and blue beanies which are to be worn at all sport events. Next year the club plans to have a flash card section.

G. A. A.

Whitmer's Girls' Athletic Association is dedicated to giving our girls a chance to participate in extra-curricular sports. To belong to GAA a girl must join in her sophomore year and be active in at least three sports.

GAA has a sport for each season. The members compete in intramural sports with Rogers, Maumee Valley, Perrysburg, and other area schools. Their other activities included a bake sale, an after-game dance, a splash party and a banquet held at initiation time.

Science Club

The Science Club has many activities through the school year to stimulate interest in the sciences. To be a member a student must be carrying at least one course in science. To make money for the club, members sold shakers to carry to games.

Hospital Attendants

Each period of the school day there is a different girl stationed in the girls' hospital room. It is this girl's duty to take care of the girls who become ill while in school. All hospital attendants must keep the hospital room tidy and take care of the medical supplies.

Peace; come away: the song of woe
Is after all an earthly song:
Peace; come away: we do him wrong
To sing so wildly: let us go.

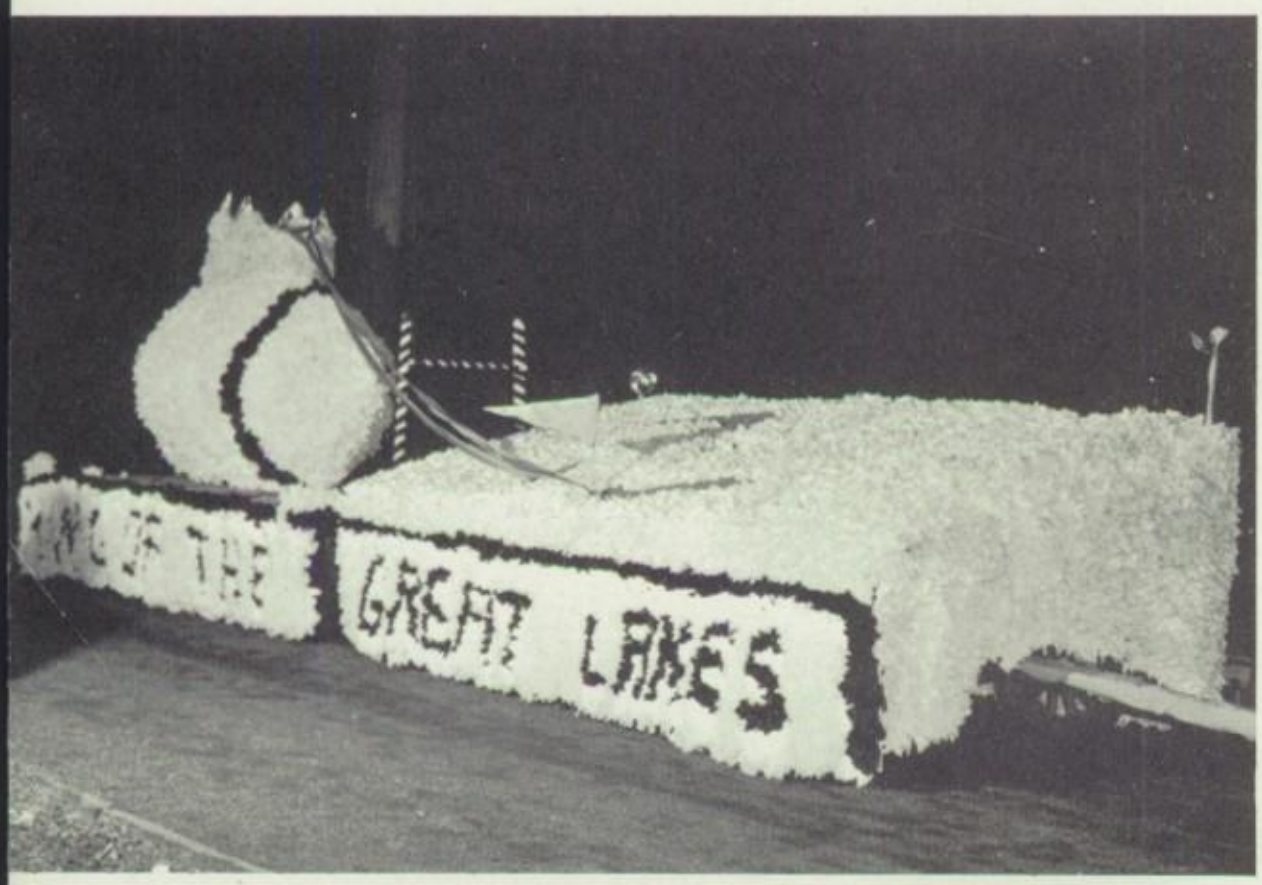
ACTIVITIES

Juniors Win

"Tootin' to the Top" took many long hours of preparation to become the most beautiful and original float which was presented the winning trophy on Side-Line Quarterbacks Night. Pink, black, and white were the colors of the flowers covering the locomotive. On the following day the float joined the University of Toledo's homecoming parade and was praised as highly as the other entrants.

Side-Line Quarterbacks Night



Seniors

"King of the Great Lakes" was the theme of the senior float made up of two wagons in yellow and blue colors. One wagon carried a king size football with a crown on its top. The other wagon depicted the Great Lakes which represent our football league.

Sophomores

The sophomore class worked late many nights to produce their first float at Whitmer. The float's theme "We're Expecting a Victory" was carried out in the figure of a huge stork made of white flowers with goal posts in Whitmer's school colors.

Queen Mikie is attended by her lovely court, Barb Harris, Jana Turner, Sharon Yeager, Judy Turner, Donna Patrick, Roberta Rust, and Jan Orde.

Few will forget the imaginary rabbit who captured the hearts of everyone in the junior class production of *Harvey*. This was the last play directed by Mrs. Dean Lewis, and everyone agreed that it was one of her finest.

The plot is concerned with Elwood P. Dowd's friend, an imaginary rabbit that follows him wherever he goes. As a result of Elwood's peculiarity, his sister feels that her social standing has been blighted and her daughter's chance for marriage ruined. Various misunderstandings, as to who is really crazy, create many laughs which change to tears as Elwood's sister decides that she likes her brother just the way he is.

The Senior Class production of *A Man Called Peter* brought tears to many eyes and left the audience with a feeling of warmth and appreciation. The play, under the direction of Mr. Charles Foster, was the story of Dr. Peter Marshall, the minister of New York Avenue Church in Washington, D.C. It depicts his life among his parishioners and his family life with his wife who stands by him during his final illness. Visitors are always welcome in the Marshall home, and many come with their troubles for Peter to solve. He shows them the answer to their problems is through God.

The Bickle sisters trust that Peter Marshall will find their notes helpful.

Whitmer students look forward each year to our circus which is performed in March. The circus is one of the most rousing events of the school year. Under the direction of Mr. Stacy, students practice every day to make their performances smooth and polished. Miss Williams teaches authentic folk dances which are performed in colorful costumes.

About seven hundred students take part in the circus each year. Tumbling, trampoline work, human ladders, rope climbing, and many other acrobatics compose the varied acts. An all-girl team steps out in military fashion as it executes precision drills. The grand climax of the evening is centered around a colorful parade of animals led by a perky chicken, a prancing zebra, a fierce buffalo and an enormous elephant. The Whitmer Circus always affords an evening of excitement, thrills and merriment.

1957 Annual Homecoming

Homecoming Queen, Pam Fenn, flanked by her two attendants, Sharon Yeager and Marilyn Werr.

Bouquets of colorful mums were presented to the 1957 Whitmer Homecoming queen, Pam Fenn, and her court as they were escorted to the royal throne by co-captains, Tony Ward and Dan Apling. During half-time the Whitmer band saluted the queen and her pretty attendants, Sharon Yeager and Marilyn Werr. Excitement still ran high after the game for our students who flocked to the after-game dance, the Royalty Ball. Everyone agreed that homecoming is one of the happiest times of the year both for our students and alumni.

Last year's queen, Sharon Laney places the royal crown on Queen Pam.

At the Royalty Ball our queen dances the Royal Waltz with her steady, Tony Ward.

With his famous grin, Dudley Williams receives the Dale Crow Award from our smiling principal, Mr. Davis.

1957 Dale Crow Memorial Award Winner

Dale Crow

Every May on Honors Day our students look forward to the presentation of the Dale Crow Memorial Award. In 1957 this award was presented to Dudley Williams, whom everyone knew as an outstanding athlete and student. Dudley ranked fifteenth in his class of two hundred and ten. His football efforts rated him a position on the G.N.C. all star team; and in wrestling, he was the regional champion in the 165 pound weight class. He was a valuable left fielder on the baseball team. He is now a plebe at the United States Naval Academy.

The Dale Crow Memorial Award is a trophy given in memory of Dale Crow, a graduate of Whitmer, who lost his life during World War II while flying on a mission over Wake Island. Dale was superior both as an athlete and a scholar. At the University of Toledo, he demonstrated his natural abilities. After graduation he returned to Whitmer to teach for two years until he joined the Naval Air Service.

The annual awarding of the Dale Crow trophy began in 1946 with Neil Ziegler as its first recipient. He was followed by William Johnson in 1947; Donald Perkins, 1948; Larry Yarger, 1949; David Whiteaker, 1950; Raymond Booth, 1951; Allen Mortemore, 1952; Bernie Mustafaga, 1953; James Henley, 1954; Jack Clifton, 1955; and Richard Stagg, 1956.

on to Victory

Coaches J. Hersland, V. Smith, and F. Erme look pleased with Panthers' work-outs.

The Whitmer Panthers 1957 football season was the fifth best season on record during the past twenty-nine years of inter-scholastic competition. The Panthers' over-all record was eight wins and one loss. Their Great Lakes League standing was four wins and one loss. The only defeat of the season was the hard-fought game with Clay when Whitmer lost the coveted little brown jug trophy.

The Panthers and their returning lettermen are all looking forward to an action-packed 1958 season with a goal set to attain the Great Lakes League title and to recover the little brown jug.

Varsity Baseball

The 1957 Varsity team had a record of five wins and five losses. The victories were over Maumee, Woodward, Adrian, Rogers, and Clay. The losses came from Rossford, DeVilbiss, Findlay. They also lost second games with Rogers and Clay. In the victory over Rogers, Whitmer pitched a no hitter.

There will be 8 varsity players returning next year and some fine reserve material coming up for a big 1958 season.

Reserve Baseball

The reserve baseball team, which did very well this season, proved to be an experience-developing foundation needed by the boys for varsity ball.

Coach Frank Erme directed the team to a three win, four loss season. The boys are all looking forward to a good season on the varsity team.

Golf

The 1957 golf team of Coach John Hersland completed its season with an over-all record of four wins and six losses. In the G.N.C. meet the Panthers took first place.

The top golfer was Chet Frisinger who was the winner of the G.N.C. individual trophy.

Track

The hard-running track team under the able direction of Coach Conroy placed second in the G.N.C. The over-all season's record was four wins and three losses. Whitmer won the triangle meet over Libbey and Bedford.

Some of the stand-outs were Russ Miller, Tom Molik, Don Yocum, Roger Rife, Bailey Stanberry, Jerry Mallet, John Graves, and Bill Hughes.

Wrestling

D. H. Apling and T. Matzinger get ready for action.

The Whitmer Panthers wrestling team of 1958 under the capable leadership of Coach Vern Smith finished first in the regional wrestling tournament held at Whitmer this season. The team took this first place crown by defeating all other area teams.

The team's over-all season record was six wins and three losses. Of the three losses none came from regional competitors but from out of state Michigan teams. This year the Whitmer wrestlers finished first in the Great Lakes League.

Standouts for the team were Tom Spaulding, Dan Apling, Len Schafer, Dave Ansted, Dave Apling, N. Lehman, T. Matzinger, W. Ward, and Ray Houttekier.

Under the capable direction of Miss Eve Williams, the Girls' Athletic Association had a very successful year. Miss Williams advised and supervised all after-school intramurals.

Carol Frontz, head of volleyball, handled her duty very efficiently this year. During intramurals, teams were chosen to play teams from other schools.

Fun was enjoyed by all who went out for Table Tennis this year. The head of this skillful sport was Sandra Kosuth.

Due to the enthusiasm and interest in Hockey, this year's head of sport had great success in having winning teams to compete with other area schools. Sandra Taylor is head of Hockey.

The duties of the Bowling head are to make arrangements for weekly bowling, and to keep a record of all girls participating. This position was held by Barbara Harris.

G. A. A. Intramural Sports

The female Babe Ruths who stayed after school for softball intramurals showed how popular this sport really is. The head of softball is L. J. Smalley.

Judy Raitz had the pleasurable duty of being head of the sport of badminton. Some of the activities pertaining to this sport were the doubles and singles matches.

During the shuffleboard season the tournament for doubles and singles was held. A trophy was awarded to the winner. Paula Bruning was head of this sport.

The exciting sport of basketball was headed by Lona Bratton. Her job was dividing the girls into teams, and keeping a complete record of all girls who got credit.

Many girls went out for the skillful sport of archery this year. The Robin Hoods of Whitmer were under the head of Sally Flegle.

Glass Has Made A Difference

Now is the time to reflect upon the "good ole' days" in school—the many friends, your favorite teachers, sports and dances and parties. But, when looking at today's school architecture, we think you'll agree that glass *has* made a difference!

Here's picture-proof that school corridors don't have to be dark and dreary tunnels. No longer must walls be solid and opaque. Today, more attention is being paid to daylight and view.

When reflecting upon the advantages of this glass age, we think you'll agree that the "good *new* days" are better.

THIS YOU CAN DEPEND ON...

In whatever line of endeavor you engage—business or industry, the professions, science—you will use *more* electricity to do *more* things easier, better, cheaper.

And this, too, you can depend on: business-managed, investor-owned electric companies like Toledo Edison will continue to plan and build ahead so you can LIVE BETTER, *ELECTRICALLY.*

TOLEDO Edison COMPANY — LOW COST ELECTRIC SERVICE

Worth Talking About...

A Job at Ohio Bell

Interesting work... good pay and frequent raises... lots of new friends... and plenty of chances for promotion.

Come in and talk it over

THE OHIO BELL TELEPHONE COMPANY

Around School

Frank Stewart and Donna Patrick hang the Fostoria Red Man in effigy.

George DeMuth, Deanna Laney, Roberta Rust, and Frank Stewart deck the tree for Christmas spirit.

Len Schafer, Bill Hider cheerfully serve Don Weiler, Pat Montoni, and Pam Whalen at a basketball game.

Whitmer Snaps

Sharon Yeager and Paula Bruning are looking for arcs and angles in the geometric projects from Mrs. Fontaine's classes.

Sybil Turney and Carolyn Wagner supply our students with candy or notebooks.

Here are Whitmer's "look-alikes." Jerry and Judy Poorker, Janet and Judy Dougherty, Reg and Ron Niblick, Jeanette and Jeanne Baronas, Jerry and Terry Garrett.

Paula,
To one of greatest
little dolls ever!
They say best things
come in little
packages and they
sure are right.
Keep up that
sharp singing!
Love ya

Dear Paula,

Well, it's been five years that we have been together. It's really been fun knowing you and I don't think we'll ever forget our many experiences. You have helped me in more than one way. We only have another year to go and I'm really looking forward to it. I'm sure that our friendship won't end when school is out. We will each go our different ways but I'll always think of you and I hope our paths can meet again somewhere along their way.

Love,

Paula, you and I have been friends for a long time. We have had many good times together. I hope that we have many, many more. (P.J. parties included) Stay as cute as you are and as sweet and all the good things of life will be yours. Paula, it's hard to put friendship into meaningful words, you know. My greatest wonder is simply, "May God bless you forever and ever."

Love Ya Chaio

Paula, my best pal,
There is much I could say about this — but I'll just say that I wish you all the wonderful things that are in store for you.

Love,

Paula,
When the girls tried and threatened to run us out of school, you and I will cease. We have had many good times with the gang and hope we have many more. Best of luck in every thing you do.

Love

Paula, you're a doll, your personality sparkles, your ability shines. May I simply say that I wish you this world!

Love Ya Chaio

It is been a wonderful (although trying!) experience to know you. I hope our friendships will continue for many years. George (not conceited, just perfect) DeMuth

Good luck to you, Paula. Hope to see you next year.
Ron Onnenga

Jerry Sherette

Paula,
Good luck and
Best Wishes. May
you always be as
sweet as you are now.
Pat Langham

May your always have good luck in the future. It's really been nice knowing you all (although you need it) to a very sweet girl who like these years' really go places.

Paula,
again may I congratulate
you for being inducted into
Quill & Scroll Society, may you always
know the meaning of your class
motto as the years go by. I've
enjoyed our many years together
and sincerely hope we will be
friends through our lifetime.
May you achieve success in
everything you set out to accomplish.
May your last year at Whitmer
be as enjoyable as mine was.
Best Wishes,
Good luck, Senior
